4 BILL NO. S-77-06-54

5 SPECIAL ORDINANCE NO. S-143-77

6 AN ORDINANCE approving a contract with
7 International Harvester Company for
materials for the City Utilities Garage.

8
9 BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT
10 WAYNE, INDIANA:

11 SECTION 1. That the contract dated June 13, 1977,
12 between the City of Fort Wayne, by and through its Mayor and the
13 Board of Public Works and International Harvester Company, for:

14 Repairs to Unit #151 - 1976 IHC TANDUM
15 DUMP - belonging to Water Pollution
Control Plant

16 Engine and Misc. parts needed to transfer
17 Labor to R & R, steam clean and transfer
all necessary parts to Engine
Oil

18 \$2,332.73
19 all as more particularly set forth on City Utilities Purchase
20 Order No. 9024, which is on file in the Office of the Department
21 of Purchasing and is by reference incorporated herein, made a
22 part hereof and is hereby in all things ratified, confirmed and
23 approved.

24 SECTION 2. This Ordinance shall be in full force and
25 effect from and after its passage and approval by the Mayor.

Memorandum

To H. P. Wehrenberg, Board of Works

Date June 13, 1977

From Ruth Winget, Purchasing Department

Subject Repair Unit #151

COPIES TO:

J. Morreale
P. Brunner
B. Johnson

Herewith is Purchase Order No. 9024 prepared favoring International Harvester Company for repair to Unit #151 Tandem Dump Truck belonging to Water Pollution Control Plant.

Unit #151 became inoperative on June 7, 1977 and required repair beyond the capabilities of the City Utilities Garage.

The vehicle is presently at International Harvester Company awaiting decision. Estimated repair is quoted at \$2,332.73. To replace this unit would cost approximately \$20,000.00.

International Harvester assured City Purchasing that although there may be some minor parts required which would increase repair cost this should not exceed \$2,500.00 Total. Accordingly to avoid the need to return to Council for approval of additional funds authorization for \$2,500.00 should be requested.

Attached are the following documents in support of the recommendation for acceptance of International Harvester Company:

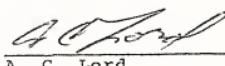

1. Copy of City Utilities Garage Memorandum.
2. Copy of Purchasing Department Memorandum with estimate.
3. Purchase Order No. 9024.

It is urged that in referring this bid-quote to the City Council for enactment of an ordinance that all of the attached items, together with this memorandum (or copies), be included with the proposed ordinance.

Please make sure that no confirming Purchase Order Number (s) is given to International Harvester Company until evidence of Council approval is furnished to the Purchasing Department.

R. A. Winget

Approved:

A. C. Lord

64-271-14 6/20/77

Memorandum

To Mr. Hepler Utility Supt. Office

Date June 8, 1977

From Mr. Robert C. Johnson Utility Garage

Subject Unit #151

COPIES TO:

Dear Mr. Hepler,

Unit #151, a 1967 tandem axle dump truck belonging to Water Pollution Control Plant will need extensive engine work.

The unit was brought to City Utility Garage to be looked at and our opinion was a new engine. The truck is using and excessive amount of oil and has considerable blow-by. We ran a compression check with these results:

Right Bank	Left Bank
0	20
45	25
25	25
45	40

The unit is presently at International Harvester Garage at 333 South Clinton Street awaiting our decision. We have no written estimate from International Harvester but they quoted between \$ 2300.00 and \$ 2500.00.

This amount is over the limit for repairs and will need Council approval. The cost to replace this unit now would be approximately \$ 20,000.00. We have contacted Mr. Brunner at the WPC Plant and he wants the truck repaired. Harvester will not start the work until we notify them.

Please feel free to call me if you need more information or wish to discuss this further.

Sincerely,

Robert C. Johnson

Date June 7, 1977

To: Mr. Hepler Utility Supt. Office
Subject: Unit #151

Dear Mr. Hepler,

A 1967 I.H.C. Tandem Dump truck belonging to the WPC Plant has been taken to INC for repairs. After we looked at the unit and Harvester looked at it the estimate was about \$2300.00. The truck belongs to WPC Plant and has about 61,500 miles on it and needs extensive engine work. We will need Council approval on this since it is over the dollar limit. Would you please take the necessary steps on this and keep me informed so I may inform Harvester.

Memorandum

To Mr. Hepler Utility Supt. Office Date June 8, 1977
From Mr. Robert C. Johnson Utility Garage
Subject Unit #151

COPIES TO:

Dear Mr. Hepler,

Unit #151, a 1967 tandem axle dump truck belonging to Water Pollution Control Plant will need extensive engine work.

The unit was brought to City Utility Garage to be looked at and our opinion was a new engine. The truck is using and excessive amount of oil and has considerable blow-by. We ran a compression check with these results:

Right Bank	Left Bank
0	20
45	25
25	25
45	40

The unit is presently at International Harvester Garage at 333 South Clinton Street awaiting our decision. We have no written estimate from International Harvester but they quoted between \$ 2300.00 and \$ 2500.00.

This amount is over the limit for repairs and will need Council approval. The cost to replace this unit now would be approximately \$ 20,000.00. We have contacted Mr. Brunner at the WPC Plant and he wants the truck repaired. Harvester will not start the work until we notify them.

Please feel free to call me if you need more information or wish to discuss this further.

Sincerely,

Robert C. Johnson
